Matters Arising from the Last Meeting

The meeting that was scheduled for 18TH March 2011 was postponed to 3RD March 2011 due a public Holiday (Muslim) which was declared by the President as a public holiday.

Mr. Francis told the meeting about the UK IPC minutes which came from their meeting held on the 1ST February 2011 that was sent by Mr. Browning. The minutes was read and notes of were made on important issues.-

Action plans discussed.

- The idea of exchanging photos is good and Mr. Francis should follow that through.
- The use of photo images to compare life in the two cities was absolutely welcome
- The use of white and white pens would be of great use and importance to them in Sierra Leone.
- Help Freetown school to buy recycling malaria is also welcome by all the children present.
- Diaries of how both IPC'S recycle and share those records are very good learning opportunities for them.
- The use of bins bags and plans for making green house gas was discussed and the children agreed that they'll love to get involve in that.
- Exchange ideas of games, is something the children say they would enjoy doing.

All the ideas put forward are good and would like their counterparts to suggest which idea they would like them to start with. The Lunching of IPC Freetown is still at the planning stages as we are still waiting for the British Council to confirm the booking of the British Council Auditorium

School Activities

- Matha Amadu Children In Crisis said that their Link teacher Mamusu told them that their partnership with St. Richards Primary is at the stage of application for Curriculum Development Grant..
- Joseph B. Palmer suggested that Conforti and Sutton Park Primary are also moving toward applying for a grant to move their partnership forward. He said that His class teacher Uncle Steven told them that their topic for that project is on Waste Management..

Alusine Kanu of Christ Church said there has not been much information on what they are planning to do but will ask their link teacher Mrs. Mammah and would explain more in the next meeting.

Mariama A. K. Kamara of Aberdeen Municipal said she would like to tell her teachers to paint their school for the school to look more presentable.

Yayah Sovage of Hossetta Abdulai special needs school said they've not heard much from their partner Oakfield Primary School.

Isata Diko of Oxford International School said even though very little is heard from their partner school, she's very happy to hear from their colleagues in the UK and would love to see some pictures from them.

Lovetta Harding asks that she'll like their teachers to try to help the children when they found difficulties with their work rather than punishing them.

Aminata Y. Kondeh of Conforti thanked their counterpart for thinking about the idea of waste management as she'll like her school authorities at Conforti Primary to help clear the rubbish around their school.

Fatmata Bangura of Chesire Home Primary School told her colleagues that very little is heard from their partners but greatly appreciate the effort of all those who are taking part in the IPC UK'S meeting.

Priorities for next meeting

Mr. Mason should follow up with Michael and Louisa at the British Council to confirm the booking for the hall, after which invitation will be sent out with a draft programme. Also wish our counterparts good luck in their next meeting as we are looking forward to hearing from them.
