

## **School Council Minutes**

**Present:** Mrs Rodgers, all School Councillors and Youth Parliament Members.

Youth Parliament members requested help from School Councillors, to design posters for Stepney Lane Play Area. These posters will be judged by local councillors and winning entries will be made into signs and displayed in the play area. The deadline for poster entries is mid December. School Councillors have agreed to support them.

Some councillors have voiced their concerns on play fighting at lunch time. Mrs Holmes joined our meeting and agreed to speak to lunch time staff as well as monitoring the situation.

Signs have now been displayed around the school and Mr. Foston has erected the signs in the playground.

Recycle bins are nearly completed and should be ready within the next few days to go into their areas.
