

School Council Minutes – 7.10.10

Present: Mrs. Rodgers all Year groups and Hull Youth Parliament Members

All competition entries had been completed and brought back by the councillors. Mr. Morfitt chose a winner from each year group, Mr Browning to announce in Fridays assembly.

Hull Youth Parliament members discussed the outcome from their meeting with adults from the parliament with school councillors. They requested Brown Bins for school to enable us to recycle all the waste from breakfast club, lunch time and the fruit we have each day.

This request was turned down by the Waste Department, saying they only issue Brown Bins to homes.

So Councillors and Youth Councillors have decided to write to the Lord Mayor and Hull City Council asking why that is.

Next Meeting - 13.10.10
