

## School Council Minutes - 3.11.10

Present: Mrs Rodgers, all year groups and Youth Council Members.

Councillors discussed the poster competition and how successful it was. The posters and signs have been made and will be in place by next week.

Councillors are still concerned about how some children are behaving in the Quiet Area, but hopefully once the sign is place these concerns will disappear.

We have had some Blue Bins delivered from the council for our paper waste both School Councillors and Youth Council members have been decorating them. Councillors thought it would be a good idea to have these positioned around the school - one in the library, one in foundation area and one near year 6. This will be discussed further at the next meeting.

Councillors sent letters to the Lord Mayor and Area Councillors regarding the refusal of a Brown Bin to recycle our food waste in school. They have had one reply from Councillor Mike Ross - see attached letter, everyone is pleased with the result.
