

School Council Minutes 26.1.11

Present Mrs. Rodgers and all year groups

Welcome to new School Councillors. We discussed the role and how to be a good School Councillor.

Stepney Website

We looked at our website - clicked on Kids Zone and found our School Council page.

Stepney Buddies

It was said at the last meeting that Buddies would be invited to this meeting to discuss the role.

Councillors thought the election of new Buddies should happen first. Councillors have come up with some suggestions on how to get the Buddies 'back into action' - councillors to make small signs to be placed on classroom doors, (reminding children about uniforms) and for them, themselves to remind them.

'One Hull of a Rain Forest Fund'

Year 6 has been busy making recycled note books.

We are selling these for 5p to raise money for the above fund. Councillors have been thinking of ways how we can sell them. The suggestions included:

Selling them on a Friday break time

Make posters to advertise

Can it be included on our Stepney Star?

Councillors to take turns going around classes selling them - like the sale of poppies

School councillors/Teachers to remind children on a Thursday that the books will be on sale the next day

Next Meeting Wednesday 2nd February
