

School Council Minutes 11.03.11

Present: Mrs. Rodgers, all School Councillors and members of Hull Youth Parliament

H.Y.P. members fed back to school councillors their resolutions from their meeting on Wednesday regarding E Safety. They spoke briefly about a 'Junior Face Book' site, but mainly on some 'Top Tips' on how to stay safe on the internet.

Although we have tips in our ICT suite we have nothing to remind children in our classrooms when we use the net books or laptops. Councillors thought it would be a good idea for each class to make a large poster (flip chart size) as a class to display in their rooms. HYP members would like **S.M.A.R.T.** to be included – **S.** Stay **safe**, **M.** do not **meet** anyone, **A.** do not **accept** anyone you don't know, **R.** do not open any mail you **receive** if you don't know who it is from and **T.** don't be afraid to **tell** and adult.

Councillors would like these to be completed by the end of this half term.

Councillors have discussed a reward system to be run by Teaching Assistants.

One child will be chosen each week by a T/A who thinks that child has 'stood out' above the rest that week. On a Friday they will be able to have their lunch on the 'Golden Table'. Instead of having flight trays they will have a plate and a dish. They will have a choice of drinks including lemonade which will be served in a special glass. Mrs Rodgers will supervise this reward.

Councillors have requested Mr. Browning and Miss Atkinson to join them at their next meeting to discuss the above.
