

School Council Minutes 30.3.11

Present: Mrs. Rodgers, School Councillors, Road Safety Officers and Youth Parliament Members.

Mr. Browning has given Councillors and Road Safety Officers permission to use the ‘speech bubble’ down the corridor for advertising. Children will be able to leave suggestions etc. (on post it notes) on the ‘speech bubble’, these will be removed each week and discussed at the meeting. It may be that the bubble will have to be located in a different place due to the art work which is being done. More details on this next week.

Members are clearly excited that Mr. Browning has agreed to a ‘Stars in their Eyes’ competition, he has already ordered medals for competitors. This will take place during the week of Stepney 125.

Councillors are pleased that the ‘Golden Table’ on Friday was a huge success.

Hull Youth Parliament Members have completed the format for the S.M.A.R.T. posters; these will be given out early next week.
