

School Council Minutes Wednesday 20th July 2011

Present: Mrs. Rodgers and all year groups

Mr Browning was unable to attend our meeting, but has fed back to all children in assembly regarding the Adventure Play Area and concerns the councillors had on the Buddy Bench. Playground Buddies will attend the first meeting in autumn.

There have been many concerns from councillors on the door to the cloakroom and toilets on the middle landing. Some say children are weary of using these toilets because the door is so heavy and have a fear of not being able to open the door on the way out, others say the handle is quite loose and is difficult to open.

In the autumn term councillors would like to discuss after school clubs, lunch time star certificates and also pack lunch boxes in the playground.

School councillors have had a very productive term, Mrs. Rodgers thanked them all for their hard work and commitment.
