

## School Council Minutes

Present: Mrs. Rodgers and all year groups

Introductions and welcome to Stepney School Council.

Councillors gave their ideas on what makes a good school councillor.

We had lengthy discussion on The Quiet Area of our playground; apparently some children are still not using it as a 'Quiet Area'. This causes a problem when children stand on benches leaving muddy footprints as this is where some children eat their packed lunch. Councillors would like Mr. Browning to bring this matter up in an assembly.

It has been decided that we hold a Halloween/Bonfire Disco this year the first Thursday back after half term.

School has lots of Halloween Treats to give away, so Councillors have agreed it would be a good idea to hold a competition for children for over the half term holiday.

They all came up with some great ideas but finalised on:

**Best Poster advertising the event**

**Design your own Mask, Hat or T-shirt**

To judge the competition Councillors have requested the help of Mr. Morfitt.

Entries must be in school the first Monday back after half term.

More details to follow regarding activities during the disco.
