

School Council Minutes

Present: Mrs. Rodgers and all year groups

There has been a change of plan for the **Halloween Disco**. It will now take place on **Thursday 20th October** (the last week of term).

Competitions will be held during school time details to follow.

Councillors would like to have an ICT and an Art either lunch time or after school club. I will speak to Mr. Browning regarding this.

Some councilors have noticed that children are not using the re-cycling bins correctly, especially at a lunch time (those who stay pack lunch). I have spoken to Mrs. Holmes, who will speak to her lunch time staff.
