

School Council Minutes

Present Mrs. Rodgers and all year groups

Last week Councillors asked if school could have an ICT and Art club. There is already an ICT club running for KS1, so maybe this could be alternated between the year groups. An Art club will possibly be set up during the next term.

Mr. Browning asked school councilors if they could think about devising a classroom charter.

They thought of:

Keep your hands, feet and comments to yourselves,

Keep the classroom tidy – put equipment away,

Always listen carefully,

Always try your best,

Put your hand up if you need to speak,

Respect others,

Keep focused: try not to let others distract you,

Ask before you leave your seat,

Always be polite – remember your manners,

Make sure you are always doing the right thing.

Councillors voted and chose the 5 highlighted from the above list.
