

School Council Minutes 16.11.11

Present: Mrs. Rodgers and all year groups

Year six Councillors have asked if the playground equipment could be used on the back playground at lunchtimes.

Packed lunches are being eaten in the quiet area. Some Councillors are concerned that children are having their lunches either taken from them or other children asking for them to share.

Mrs. Holmes has been notified regarding this issue and the situation will be monitored.

Councillors carried on with the Class Rules posters, these are not quite finished but are looking good.

Friendship week/Children in Need Day
Don't forget Friday come in your P.J's
and buns will be on sale for 20p
