

School Council Minutes 10.1.12

Present: Mrs. Rodgers and all year groups

Councillors would like to ask Mr. Browning if he has had any more thoughts on the heavy door on the landing. Children find it difficult to open and are afraid to go to the toilet alone.

(Maybe children could go in pairs)

KS 2 councillors would like to see more of the children in their year groups wearing the school P.E. kit.

Councillors agreed that even though the playground equipment is not taken out when the weather is not so good, the rotas are still a great idea.

Mrs, Rodgers thanked all the children for being part of the School Council, and doing such a super job.

New councilors are being elected this week.
