

School Council Minutes 25.1.12

Present Mrs. Rodgers and all year groups

The Queen will be celebrating her Diamond Jubilee this year. Mr. Browning has asked the school council to decide between either a mug or a medal which will be given to each child to commemorate this special occasion. It was a unanimous decision they all voted for the medal.

Councilors have asked for 'Stepney Buddies' to be re-introduced. Instead of two children from each year group taking on the role, they thought that 2 children from KS1 and 2 children from KS2 would be enough.

Names will be collected by the councilors of children who are interested and will bring them back to next week's meeting. It will be discussed at that meeting who the new 'Buddies' should be and they will be invited to the following weeks meeting to go through the role.

A Valentines disco has been requested for the last Thursday of this term.

There are concerns of children getting hurt on the playground due to 'rough play'. Would Mr. Browning mention this in assembly?
