

## **School Council Minutes 14.3.12**

**Present** Mrs. Rodgers and all year groups

### **School Clubs**

Last meeting, Councillors spoke about different clubs they would like to have, the following clubs have been arranged for a lunch time:

- Miss Northen will be holding an ICT club on a Monday.
- A coach will be holding a cheer leading club for KS2 girls (details to follow)
- A KS1 Football club was tried and unfortunately wasn't successful.

There have been concerns over toilet and cloakroom incidents, so Councillors have requested that each year group have monitors on a break and a lunch time.

Councillors would like an Easter competition to be completed in school.

Mr. Morfitt will judge and there will be two prizes for each year group. This will take place the last week of term.
