Lunch Time

Children are complaining that the last year group in for dinners sometimes miss out on hot puddings and garlic bread.

Adventure Play Area

Members have had it brought to their attention that the surface of the play area seems to be coming apart; maybe Mr. Foston could look at the problem.

Suggestion Boxes

Please encourage children to use them. If a child would like to write a suggestion down over lunch time, there are pencils and paper in the small year 6 room for them to use. Some of the suggestions this week for clubs are Maths, Lego, Choir, Reading, and Music. Sorry we cannot accommodate Nail, Hair and Face painting clubs.
