

School Council Minutes 24.10.12

Present: Mrs. Rodgers, all year groups and Wyke Area Councillors

Chair Year 6 Councillor

Members discussed Mr. Browning's response from last week.

Choir

This will be held on a Wednesday 3.15 – 4.15 possibly in Mrs. Wilde's room (year 6). A letter will be sent out this week for children in years 2/3, 4/5 and 6.

Sports Coach

Mr. Rookyard, our new sports coach. was introduced to everyone this week. Members are very excited and looking forward to him joining us after the half term. They have thought of a few different clubs they would like during lunch time, but members would like pupils to suggest their preferences. (Please use the suggestion boxes.)

This week's suggestions

Break time

Members are saying that the playground bags are not being taken out. We have had some wet weather recently, so this could be the reason as to why. Year 6 use the Basketball Court each break time. They are requesting basket ball nets to be fitted on the court

Wyke Area Councillors.

The two councilors joined our meeting to discuss creating a healthy menu for our school. They have recently had a meeting at Thorsby Primary where they had a chance to make muffins and smoothies. Mike Clayphan who is the Area Supervisor for the catering department joined their meeting. He has requested schools to try and create a healthy menu before their next meeting in December. If we can complete this then maybe one of the meals will be chosen to go on the school menu.

Wyke Area Councillors are asking for your help, so please put your suggestions in your boxes
