

## **School Council Minutes 14.11.12**

**Present** Mrs. Rodgers all year groups and Wyke Area members

**Chairperson** Year 6 Councillor

Wyke Area members joined us again to request everyone's help. They need to create a healthy menu within the next few weeks to take back to their meeting. If anyone has any suggestions of what they would like to see on our school menu write them down and put in the suggestion boxes.

Mr. Browning sent a sample of an anti bullying band for members to look at. Each child will receive one next week during Friendship week.

This Friday is Children in Need. To raise money we are selling biscuits and buns for 20p as well as coming to school in our 'wacky' clothes.

### **This Week's suggestions**

Playground Equipment – this is now for everyone to use and not just individual year groups.

Jobs – it has been suggested that Year 6 children should be responsible for jobs that are done during breakfast club

Equipment Baskets in year 6 – to have these in both classrooms to avoid crowding around the door area.

Year 4/5A members to join 4/5B lunchtime club on a Thursday as they miss their turn on a Wednesday.
