

School Council Minutes 28.11.12

Present: Mrs. Rodgers and all Year groups

Council members and Wyke Area Councillors would like to thank everyone for their support with the suggestions for a healthy school menu.

Because members have been discussing healthy menus over the past couple of weeks they are beginning to question what they eat and why children choose to stay packed lunch or school dinners on certain days.

So to encourage our children to eat healthily they thought of holding a competition. Many suggestions came from the meeting including designing healthy lunch boxes, but they all agreed that we could have the healthiest year group of the week/month. Winners could receive badges or prizes or another suggestion was to have virtual cheques like our attendance cheques. In order for this to happen they would need the help of teaching staff to collect data by completing a tally chart for their year group.

This will then be used by councilors who will do surveys of their own class. Older children will support the younger members.

More information next week.
