

School Council Minutes 17.1.13

Present: Mrs Rodgers and all year groups

New members were welcomed. The role of being an effective school councillor was discussed along with the previous meetings minutes.

This weeks suggestions:

Members would like to see the playground areas and activities for each year group to be happening again by late spring.

The quiet area to have a book trolley, to be taken out at break and lunch times, adults to oversee.

Children to RESPECT our equipment especially the adventure. Can children take turns using the musical instruments so that the beaters can be used, again adults to oversee?

Red Nose Day 15th March 2013. Members have suggested we have a non uniform day with the option of having 'Wacky Hair' for 50p; also buns will be on sale for 20p.
