

School Council Minutes 17.4.13

Present: Mrs. Rodgers and all year groups

Members discussed previous meetings minutes.

Mrs. Rodgers has purchased some new equipment for breakfast club.

The Easter Competition was a huge success; members will be sending letters of thanks to Gordon at Tesco's, for donating prizes and Miss Barke for judging the competition.

Suggestions this week:

Playground rotas to be back up and running with the equipment bag out every day.

To have basketball nets on both front and back playgrounds.

Can the clock in the playground be fixed?

The hopscotch games are now in the foundation area, would it be possible to have some more in the back playground.

An ICT and Reading after school club.

Could children have a choice to go out at break times?

Remind Mr. Browning about the downstairs toilets.
