

School Council Minutes 2.10.13

Present: Mrs Rodgers and all year groups

Year 6 councillors read the previous meetings minutes to the rest of the school in Monday's assembly.

Response to last week's minutes:

When it's your turn to go with Mr. Dear on a lunch time then you do need to stay with your group.

Virtual cheques are not been issued any more, but there will be treats for the best attendance at the end of autumn term.

This weeks suggestions are:

'Children in Need' will soon be upon us so members have been thinking of ways the school could raise money. After a lengthy discussion they decided to have the traditional pyjama day. They would like the help from adults to bake buns to sell in school on the day.

Are we still allowed handwriting pens when our writing is neat enough?

Could year 1 and foundation have a different Halloween Competition to the rest of the school? (A spooky house colouring.)

Councillors are creating posters requesting parents to join our Governing Body.
