

## School Council Minutes 6.11.13

(with replies & comments from Mr Browning)

**Present:** Mrs Rodgers and all year groups

The Halloween disco was a huge success as always.

Mr Browning: "I agree, children. I'm glad you had a great time."

Children in Need Day Friday 15<sup>th</sup> November.

Miss Foston's ICT club are making posters to advertise the day. It will be 50p to come to school in your nightwear; adults will be supplying buns for the children to buy at 20p each.

Will school be selling the Children in Need wrist bands? Mr Browning: "None have been ordered this year as we had them last year."

Poppies and Remembrance-Day wristbands are being sold around the school.

Poppies can be bought for 10p or more and the wristbands are £1 each.

Mr Browning: "Our thanks go to the year 6 pupils who are helping us with this."

A reminder to everyone to collect the Morrison's Let's Grow vouchers and pass them onto Mrs Bayley.

Mrs Rodgers will check for suggestion boxes in each year group.

Could Mr. Foston please have a look at the adventure play area? Members are saying the turf is coming up in places.

Mr Browning: "We have been told about this before. Mr Foston, myself and the governors who are responsible for health and safety have inspected this. We have also been in touch with the company who laid this. While we should expect some of the surface to flake off according to the company, Mr Foston keeps checking it and making repairs. We will look at it again though."

Could children play safely when they are on the spring board, some are pushing others off at the moment.

Mr Browning: "I will remind the staff who are by this area at playtimes to stop any pupils who are being too boisterous."
