

School Council Minutes 18.3.14

Present: Mrs Rodgers, Mr Browning and all year groups

Members discussed the minutes and replies from last week.

Easter disco to take place on 10th April 3.15 - 4.30.

Entrance is 50p which includes a free drink. Children who wear an Easter bonnet/hat will also receive a treat.

Weather permitting Mr. Dear will be holding egg and spoon races outside, this will be free and winners of each race will receive a small treat. (Children will only be allowed to race once.) Mrs Brodie is designing a find the bunny/chick game, this will be 10p a go. There will be a prize every time and Easter eggs for winners. Sweets, crisps and drinks will be on sale as usual. Hopefully the hall will be decorated. Posters advertising the disco will be ready by next week.

Mr Browning ordered Lego for breakfast club and has arrived.

We are still awaiting news on the rucksacks.

Mr Browning spoke to councillors regarding our link with our new friends in Nebraska and the forum he has set up. This is proving to be a huge success and wondered if members would like him to set up a forum or page for the school council so we could link up not just with Nebraska, but other schools that we are already linked with.

Councillors agreed to Mr Browning's suggestion and

thought it would be a really good to blog other schools and maybe swapping each others' ideas. Members will be able to put questions forward each week, this week's question:

What would children like to see being sold in the school shop?
