

School Council Minutes 27.3.14

Replies & comments from Mr Browning

Present: Mrs Rodgers and all year groups

Members discussed last weeks minutes. Everything is going to plan with the Easter disco. Posters advertising the disco will be completed by the end of the week.

Excellent work, councillors.

The question posted on the School Pupil Council page has had a few comments. Councillors had a vote and the most popular items they think should be sold in the school shop at break times are dried fruit, bottled water and ice-pops. Is this possible?

All these seem good ideas. I would like you collect more comments back. You need to go on the forum yourselves and encourage your classmates to do the same. Maybe, you need to talk to your class teachers about finding time to do this.

Many children have been requesting for the play ground equipment to be used again both at break and lunch times. Is there any different equipment that the children would like to be included in the bags? Could adults be reminded about this please? Mrs Rodgers is going to make sure the bags are replenished after the Easter holidays.

Some breakfast children have complained that sugar has been replaced with bananas, however the bananas are proving to be a success as well as the different cereals that are now been offered.

We are continually looking to improve the healthy diets for pupils in this school and getting rid of the sugar is really important. We are grateful to Mrs Rowe, who is in charge of the kitchens, in giving us more choice with the cereals. All the new ones are low in sugar and salt.

A suggestion has been put forward to have once a month in breakfast club beans or scrambled egg on toast.

I will enquire about this.

Could children play dodge ball with Mr. Dear on a lunch time?

The best plan will be to go and ask Mr Dear if he will.

What has happened to Miss Middleton?

Miss Middleton has never been a full-time member of our staff. We have employed her to come and teach dance and gym at certain times of the year. Now, we have Mr Dear and Mr Darwood as sports coaches, we have not needed to employ Miss Middleton at the moment. This doesn't mean to say that we will never have her in school again as we know she is a really good coach.
