

School Council Minutes 14.5.14

Replies from Mr Browning

Present: Mrs Rodgers all year groups and Hull Youth Parliament members. Mrs Rodgers spoke to members including Youth Parliament members about Ms Hannah Cooper and her University research project. She will be coming into school to speak to members on Monday.

Members of Youth Parliament then left the meeting.

Councillors looked at the replies from Mr. Browning from last week's minutes. Could school council look at the ruck sacks, also could we try another company? We will not be looking into any more companies for this. We have already sourced different companies.

Has Mr. Browning contacted Mrs Rowe yet regarding breakfast club?

Suggestions:

Could the climbing apparatus be used either during P.E. or after school clubs?

I will remind the PE coaches about using the equipment

Mr. Browning can you mention to children about wearing our school uniform?

Yes - I will do this in assembly

Councillors have been asked for any ideas for Healthy Eating week. Their ideas:

- Each class to think of an unusual healthy snack.
- Design a balanced diet plate.
- Make healthy smoothies.
- Create a food diary for a week.
- Make a collage of healthy foods.

Thank you for this- I have passed on these details to Ms Saint, who organises all our healthy eating initiatives.

Stepney's Got Talent.

Auditions will take place on Thursday 12th June.

Members are speaking to their year groups, audition forms will be given out first week back after half term.
