

School Council Minutes 4.11.15

Present: Mrs Rodgers all year groups

One of our year 6 councillors has suggested that the school council writes their own newspaper at the end of each half term.

Councillors voted on what to name the paper and finally came up with:

Cool Council Communicates

On the front of the paper will be news from the half term along with a comic strip at the bottom. On the reverse will be a selection of jokes. Councillors will be taking suggestions from each year group on what is to be published. More details to follow.

Children in Need 13th November. Members have agreed to ask this to be dress down day or if anyone would like to come in a superhero outfit. Adults will be providing buns to be sold at 20p each. Councillors will make posters to advertise the day in this week's golden time with Mrs Rodgers.

Other suggestions this week are:

Could we please start selling girls school cardigans again?

Children would like juice to be brought back at lunchtime.

Is it possible to have an after school Art club?
