

School Council Minutes

24.11.15

Present: Mrs Rodgers and all year groups

Yet again Children in Need was a successful day, with many of us dressing up as our favourite super hero.

Our main discussion this week was focussed on Mission Christmas. Normally we support Save the Children fund and the Christmas shoe box appeal, but this year we have decided to help raise funds for our local children. Viking FM Cash for Kids has launched Mission Christmas to ensure that every child in our local area has a happy Christmas. So we thought we could start our fundraising by donating a gift, it can be anything (apart from battery operated or electronic) that will be suitable for children aged 0 - 18 years. Unfortunately we're unable to take donations of used toys. We are also accepting cash donations and the councillors thought instead of adults and children buying Christmas cards for all their friends they could donate a small amount of cash instead. Members like the idea of Christmas Jumper Day, so everyone to come in a Christmas jumper on Friday 11th December and donate a £1. Another suggestion was to have the choir singing carols but need to think of when and how this can raise money.

School council newspaper will be created over the next few weeks. Members have agreed on the front page, but need to agree on a sub heading.

Suggestions this week:

Art Class

Colouring competition (members thought this could be included in their paper)
