Stepney Shop

This week we had our first Stepney Shop. Unfortunately it was not very well attended. In case people had forgotten it was on we are giving you another opportunity and opening again on Thursday 12th February from 3pm. After this it will be held once a month.

Sierra Leone

Last week year 5 started some school linking work with Foredyke Primary School. We have just had confirmation that we have established a link with

years since 1986. Since starting as a day care provision for working parents it has moved on into the formal school system providing nine years of schooling, three years pre-school and six years of the primary programme. The school caters for children from all backgrounds with the sixteen ethnic groups in Sierra Leone. They have a school community of one hundred and eighty boys and girls.

The head, David Coker has already been in email correspondence with Mr Browning and is looking forward to starting contact with the staff and pupils of Stepney.

Year 2 Assembly

This week we had a really strong message from our year 2 pupils about the importance of recycling. They talked and sang about different materials and where they come from and also informed us about how we should 'Reduce, Re-Use or Recycle'. Another brilliant production – well done to everyone concerned.

Do you need a Dentist?

We have been informed of a Dental Practise in the area that is accepting NHS patients. If you would like details call at the school office.

Year 6 SATs and holidays

The SATs tests for year 6 will take place during the week beginning 11th May 2009. The tests have to be taken on the day in question. Papers are sealed and despatched to independent markers immediately after the pupils finish their tests. If you have a child in year 6 please ensure you do not book anything else for this week – the children need to be at school that week.
