Schools Linking Project

Since the Autumn Miss Northern's year 5 class have been working with pupils from Foredyke Primary School on a schools linking project. This has included both schools making music together at the Albermarle Centre. The pupils were able to play on the steel drums with the Indonesian Gamelan Orchestra. Since then, they have done workshops on healthy living. One of the results of this has been a banner displaying the children's work. This now hangs proudly in our hall alongside the other flags.

Cars – Maths in Motion

"On Wednesday four year 6 pupils went to the Archbishop Sentamu Centre to do some cars – maths in motion work. They raced their cars and competed in a big race with seven others schools. Unfortunately our cars came 7th and 13th." by Michael & Lauren year 6. The children had a computer simulation of a race track and had to calculate the angle of corners and distances and fuel consumption in order to take their cars around the track.

Year 1 Assembly

On Thursday the year 1 pupils entertained us with their stunning assembly about seashores. Here's Paige's account:

"My Good friends and I had an assembly on Thursday morning. The assembly was about the seaside because we had been learning about the seaside. My favourite bit was when we sang the song. It was called 'One, Two, Three O'clock'. It was cool dancing with Mia. I was happy because we are best friends. I was a little bit nervous because a lot of parents and carers were there.

School Photo's

Just to inform you that to guarantee delivery of school photos before the end of term, all orders must be received in the school office by 3.15pm on Friday 19th June. A further collection of orders will be made in July. Cheques should be made payable to 'Fotek'. No change can be given either by Stepney or Fotek

Website Change

We are in the process of changing our school website. Please note the address has now altered slightly – we will now be www.stepney.hull.sch.uk We will let you know when it is fully working.
