We need your help! Punctuality is Key!

At the moment we have a great number of children who are turning up late for school and it is getting worse rather than improving! May we remind you that the children should be in school at 8.55 a.m.

Each week we are having about 40 children who are continually late. Lessons begin promptly, the moment the children reach their classrooms. While registration is taking place, work is provided on essential basic literacy and mathematics activities. Gone are the days when

08.55

children would just read quietly during this period. When

children turn up late it affects their learning and disrupts others.

Since the start of April, over 400 minutes a week on average are missed through lateness.

If you have a genuine reason for being late to school, please telephone us on 343690.

Ms Johnson

The Local Authority are seconding Ms Johnson to help another primary school, which has recently gone into special measures. She will be leaving at the end of the coming week (21st May) and working full time in the other school. This will be at least until January 2011. In the meantime, Mrs Wilde will continue to teach the year 6 class, ably supported by Mrs Rodgers and Mrs Holmes. We would like to wish Ms Johnson all the very best in what will be a challenging scenario.

Anglers, Roll Up!

We have received details of an Angling competition. The Hull Angling Centre (575 Holderness Road), is running a competition over the summer holidays for anyone 17 year or under. The event is sponsored by Hull City

Council and Humberside Police. There will be qualifying rounds to gain entry to the final. To get an entry form or further information, contact the Angling Centre on 374201 or PC Kettlewell on 597235. Entries must be in before 5pm on 18.7.10. Parental Consent must be obtained.
