SUMMER FAYRE APPEAL—PLEASE, PLEASE HELP!

We are fast approaching our summer fayre on Friday 16th JULY.

There will be events, activities, and games in classrooms, which will be run by the children. In the hall there will be further activities, including a tombola, bottle store and Jumble Sale.

If you have any items that you would be willing to donate, we would be very grateful. At the moment we have very few items in at all. If you have bottles of drink or jumble that is in good condition or items for the tombola, please will you send it in to school next week. If every child could bring in one or two items it would ensure that we had plenty of things to sell.

We have always had really successful fayres and, hopefully, this year's can be just as good.

Fantastic Football Club!

We have already had a great start to our Saturday morning football club, which is run by specialist coaches between 10am and 12noon, each Saturday. The same organisation are taking year groups for a special 'Street Cheer' session, each lunchtime.

Super Sports Days!

Many thanks go to all those who helped with our School Sports Days. This year they were organised by Mrs McIlwaine and Miss Northen, with the support of all the staff. A good sports day is down to a number of factors but primarily it is the enjoyment of the children and the support from their families. Of course, the weather helps and this year we had brilliant weather on each of the days.

Stepney Steel Drummers!

Mrs Phelps-Jones' pupils performed their special steel drumming concert to parents and pupils on Thursday 1st July at 2.45pm. All year, they have been working with Tom Lawrence from the school's music service. Each year there is extra funding available, under the 'Wider Opportunities' scheme. This provides a school with a music teacher

to take one class for a year of extra musical training.

All the pupils have to be congratulated on their brilliant performance and the hard work that went into this.

Lost and Missing Property

Lately, we have had a number of items of clothing going missing from children. Please will you check with your child to ensure they have all their clothing and possessions and haven't, inadvertently, picked up someone else's. May we also remind parents and carers to put name labels in clothing and/or write in names with permanent markers. With the best will in the world, we cannot keep a track of all items of children's possessions, so please help us with this.

Open Afternoons and Scrapstore Challenge!

We are having some special Open Afternoons this term. The Scrapstore in Hull are coming in to host themed afternoons for pupils and parents. These are the dates to note on your calendars: 6th July—Mrs Phelps-Jones class
7th July—Miss Northen's class
