Summer Fayre Donations

We always have a great summer fayre and this year's is fast approaching. To ensure it is a success, we do rely on the generosity of people to donate items for our various stalls. Please will you send in any donations you may be willing to give. We need bottles of wine, juice etc and items (new or unused) for the tombola and pink and /or chocolate gifts. The actual fayre is on Thursday 5th July.

Troy Story !

The framework for a wooden horse (made from cardboard in this case!) is being assembled in the year 6 classrooms. This is in preparation for the end of year production by our oldest pupils. The evening performance will take place on Wednesday 11th July, with a morning performance on Thursday 12th July. The latter will be combined with the special leavers' assembly for our oldest pupils. Year 6 have their last day with us on the 13th July before going to their new schools for the last week of term. The rest of our school breaks up for the summer on Friday 20th July.

Dance Off !

Our PE coordinator, Miss Northen, is pleased to announce that the dance club are competing in a special dance festival next week on Wednesday 27th June at the Northern Academy of Performing Arts on Anlaby Road. Our pupils have been coached by the multi-talented Sarah Middleton, who has been teaching dance and gymnastics for the last year or two throughout the school. It starts at 10am and finishes at approximately 1pm. Parents/carers are welcome to attend.

Sports Days Next Week !

Weather Permitting, we will be holding our summer sports days next week. On Monday, it will be the turn of our Foundation Stage children. This will be in the morning, beginning at 9.30am. On Tuesday, our year 1, 2 and 3 children will be taking to the field at 2pm then our year 4,5 & 6 pupils will be having their's on Thursday at 2pm. Should the rain spoil the show, we will postpone it to another time and keep you informed. Fingers crossed for next week!

Stepney's Got Talent Show Hotting Up!

Today, we have had the semi-final of the Stepney's Got Talent show. Once again, we have been amazed by the hidden talents of the pupils. Although it's always a very difficult decision, our judges have narrowed the field down to the final lineout, who will compete for a brand new trophy on Monday 2nd July. This will commence at 2pm.

Junior Paramedics !

Last week, it was a group of fire service vehicles turning up at school and this week it was an ambulance. The neighbours may have been forgiven for think in that the school was having a series of emergencies. Fortunately, that has not been the case. Last week, the fire officers came to show our

Foundation Stage children the engines. This week, two paramedics came to work with phase 4/5 on basic first aid skills. They even had the opportunity to practise resuscitating a 'dummy' in the back of the ambulance and using the equipment in there.

An Assembly for an Historic Event !

Over the years, we have celebrated and witnessed remarkable events in Hull. Our pupils were interviewed when Hull City gained promotion to the premiership and witnessed the celebrations. Today, Mr Browning's assembly focussed on the Olympic Torch relay that was taking place in the city. Apart from London, it was the longest city circuit in the whole 70 day Torch tour. Many of our pupils went to see the Torch coming through the city! Another truly memorable day in our history!

Endeavour Workshops !

Year 6 are not joining us for the Friday afternoon award assemblies for the next few weeks as they are spending the time at Endeavour school in their Design and Technology workshops. Today, they started making wooden cars and baking bread. Everyone enjoyed the experience of using the high school's facilities.
