

#### A Healthy November!

From September, our school has adopted a healthy packed lunch policy. This will contribute towards our Healthy Schools Award. This will mean that children will need to bring a healthy packed lunch which will be defined as:

\*a savoury snack (eg a sandwich or similar, no chocolate or sweet spreads)

\*a piece of fruit, yoghurt or similar \* just one 'treat' eg chocolate biscuit or crisps.

For the rest of this month we are having another healthy eating campaign. As part of this, pupils from year 4/5 will be giving out fruit at playtimes to all year groups and our year 6 healthy eating ambassadors are making a survey of how healthily our pupils eat at lunchtimes. For the class who eat the healthiest we will be rewarding them with treats such as extra time on the ipads. Please will you help us by giving your children healthy options for their lunchtimes.

#### The Patter of Little Feet!

Our congratulations go out to Mr Cameron and his wife, whose second child was born during the holiday. Weighing in at 7lb 2oz, their second daughter popped out at 12.38pm. Both mother and daughter are doing

#### **Delving into the HDM archives!**

On Wednesday, eight of our year 4 and 5 pupils, accompanied by Mr Browning, were invited to the Hull Daily Mail building to look through some of their archives. This was part of the celebrations that Mrs Truelove from St. Stephen's shopping centre is organising to remember the Beatles playing in Hull. Upon arrival at the

paper's headquarters pupils were escorted to the conference room where Jim, the guide for the afternoon gave the pupils a warm welcome. He spoke about the changes in technology that have been made in the fifty years since 1963, when the Fab Four played at the ABC theatre (now the site of St. Stephen's). Jim showed them old cameras and recording equipment as well as photos from the event. Next, the group was shown through the sprawling main office, much to the amusement of all the staff who are unused to seeing school children in their midst. Their destination was the paper's rolling-stack library, where Jim brought out original newspaper clips, microfilm and glass photographic slides. These were used by the pupils to read through.

Back in 1963 on the Sunday 24th November, news of the Beatles playing in our city would have made the headlines news but it didn't. On Friday 22nd November 1963, the US President JF Kennedy was assassinated in Dallas. The print run on Monday 25th November 1963 was all about the earth-shattering news from America. Jim was then joined by Alison, the news editor who gave the pupils many important tips about journalistic writing. As a former reporter of such events as the Lockerbie and Dunblane tragedies, Alison is an expert journalist and proved to be an inspiring speaker. It was a wonderful visit giving the pupils lasting memories and brilliant advice. Our heart-felt thanks go to the staff at HDM and to Mrs Truelove for organising it.

#### <u>African Experience!</u>

We were delighted to welcome Hekima into school this week. He worked with the phase 2-3 classes on

African songs and stories. A brilliant day for everyone concerned! We all got to see the results of his work with the 2/3 pupils on Thursday afternoon when they performed to the rest of the school. Hekima, who is one of our pupils' parents, comes from Tanzania in East Africa. It was wonderful to hear his songs in Swahili, which particularly pleased our African children. Many commented, to Mr Browning, that they loved hearing their native language!

#### Welcome to Mr Darwood!

In addition to our PE coach, we have another PE coach joining us. Mr Darwood is being employed by us for one day each week. For the remainder of the week, he will be working in Pearson and Clifton Primary Schools. As a qualified PE teacher, Mr Darwood will be teaching PE as well as supporting and training teachers in all three schools and working alongside our own Mr Dear. Mr Darwood will also be responsible for organising interschool events.
