Entrepreneurs !

Last week, Mr Browning had a delegation of year 6 pupils come to his office with a special request. They had decided to turn their latest hobby into a business proposition! Recently, they have started making bracelets for themselves out of small elastic bands and other materials. These have been so popular that they are now going into production to sell to the rest of the school and make some money for charity at the same time. We have all been impressed by the business plan they have written as well as the advertisements they have produced and dotted around the school. In assembly on Tuesday, they explained their plan to the rest of the school and also asked that we put the advert on our website and newsletter in order to let parents know what they are doing and why other pupils may be asking to bring some money into school, so here it is...

Bandz and Things!

Welcome!

Bandz and things sells a whole range of bracelets, earrings, rings and more! We are selling these colourful bands on the playground. If you are looking forward to buying one you are more than welcome.

Main Members : Alesia, Mi lid, Konrad,
Paige Please dont hesitate!

Why are we doing this?

The reason why we are doing this is to raise money for breast cancer and charity. We are trying to cure people with this condition by selling these best quality accessories!

Prices

Single band - 20p

Fishtail - 50p

Waterfall - 21

Bridge- 11

Starburst - Coming soon!

Cheese colours - 50p

Charms - 50p

Repair- 20p

They've Arrived !

Last Friday, we took a package containing letters written by the two phase 4-5 classes to Beverley Road Post Office. These were then sent to our friends at Fairview Elementary school in Nebraska, USA. They arrived there on Wednesday! In addition to the blogging we have been doing, our pupils wanted to send traditional forms of communication as well.

Sports Relief Day

Next Thursday, it is Sports Relief Day . Year 4, 5 & 6 pupils need to come to school in outdoor PE kit on this day, as they will be taking part in the Sport Relief Mile at Endeavour Sports Field in the morning. Adverts giving more information to parents are going out today.

School Uniform Reminder !

Please may we remind all parents that pupils should be wearing the school uniform. We have had several girls in year 1 coming to school wearing leggings without skirts or trousers. This is not appropriate for day to day school wear.

Parents - We Need Your

Blogs, Please !

This week, we had our first Stepney parent adding comments to our blog. Ellie, her mum and brother are proving to be quite adept at model making and many people have been posting complimentary remarks about their brilliant work. These have included

ones from the US as well as from the UK. Ellie's mum posted a lovely blog thanking people for their kind comments about Ellie's models. May we emphasise that we would be delighted to hear from other parents. We have hundreds of pieces of pupils' work on our blog site now, just waiting for comments. In the US, their parents are also getting into the blogging spirit. Mrs Boyce's fifth grade pupils (the same age as our year 6) and their parents had a day using the ipads. Just like the parent events we had with David Andrews before the half term holiday, they loved coming into school to work with their children on the ipads. Both pupils and parents have posted blogs and our pupils have added their comments as well.

Parents and Pupils Join Forces to Warn Against Deforestation!

We had an action-packed exhibition morning from phase 2-3 on Thursday. They made some utterly brilliant models of the rainforest and then took photos of their creations to post on kid-blog. This links in with their thematic unit entitled 'Poles Apart' and complements all the wonderful work the pupils have been doing in their lessons. While Thursday's activities were fun to do, they gave out the serious message about the dangers of deforestation. .

Spring Exhibition Dates

March 2014

- EYFS/Yr 1 Exhibition—Thurs 27th April 2014 at 9am

- **Phase 4/5 Exhibition—Thurs 27th at 1.30pm**

- Yr 6 Exhibition - Thurs 3rd

Please note that the Phase 4/5 exhibition has been changed due to the Sports Relief Events and the re-scheduled one is in the afternoon.

IEP Afternoon

On Tuesday 18th, we would like to invite parents of children who have IEPs (Individual Educational Programmes) to join us for a craft afternoon between 1.30pm and 3.15pm. Parents will have been notified if their child has an IEP.

Child Protection: Please remember to report Child Protection concerns to Miss J. Atkinson
