## **Attendance Winners !**

This morning we held our prize draw for the parents' hamper and the pupils PC tablet. Names of parents whose children had over 97% attendance for the term went into the hat for a Tesco -sponsored hamper. The winner was Alicia's (year 6) mum. Shaheed's name came out of the hat for the children who have had 100% for this half term. Easter eggs were given to the following pupils for being drawn in the 'Never Late' Early Bird week: Year 1—Darrel, Phase 2/3—Narelle & Sarah, Phase 4/5 = Abigail, Andy & Edwin and Year 6—Mark

## **Parent View Website !**

We sent out letters asking parents and carers if they would be willing to contribute their views on Ofsted's 'Parent View' site. We would still be grateful if more people could contribute. Please go to our website for the link or type in <https://parentview.ofsted.gov.uk/>

## **Easter Disco !**

Mr Morfitt, Mrs Rodgers and their team organised another brilliant disco on Thursday night. Responding to the school's pupil request, they had the hall hung in Easter-themed decorations. There was a tremendous amount of excitement from the pupils and they all seemed to have a great time. Many thanks to everyone who contributed.

## **World Health Day !**

On Monday morning in assembly, Mr Browning, aided by Lottie & Mohsin, our International pupil councillors, got a mosquito net out to show the rest of the school how it was fitted over a bed to keep mosquitoes at bay. Pupils had brought in 10 pence pieces, which Mrs Warcup made into a

banner and photographed. She is now going to look on a website and buy some mosquito nets to send to Africa. Many thanks to everyone for their generous help today.

## **Kidblog Mosaics !**

Our two phase 4/5 classes have been studying the Romans this term. As part of their studies, they have been looking into mosaics and have produced some superb mosaic patterns on plates. All of them have been posted onto kidblog site. There is a special forum, which may be accessed by clicking on the category called 'Roman Plate Mosaics'. Other pupils have been requesting their own logins and have quickly started posting forums and blogs of their own. Please feel free to click on our 'Pupils' Forums' category. It is wonderful to see how our pupils are enjoying the kidblog site and contributing some great things on it. Many are really into Minecraft and Lego and there are forums on these, which are well worth looking at. We now have 418 pieces of work or forums on this site, with 1,532 comments.

## **Soccer Sorrow !**

Our footballers travelled to the KC stadium practice pitches to play in a tournament with other teams. They played Pearson, Clifton, Endyke, Spring Cottage, Victoria Dock and St. Charles. Unfortunately, we lost them all, but by close margins. It's becoming a little like Manchester United's season! Better fortune, next time team!

## **Last Level 6 Maths Session at Kelvin !**

On Wednesday, Mr Browning took the level 6 maths group from year 6 to their final tuition night at our fellow

trust partners, Kelvin Hall school. The teachers have been giving our pupils extra lessons over the last seven weeks and they have been brilliant. It has been really beneficial for our students to study the harder level maths with secondary school maths specialists. We are extremely grateful to them and to Andy, the driver of their mini-bus, who has been ferrying us backwards and forwards over the weeks.

## **Beverley Road Swimming Baths Closed Next Week !**

Beverley Road swimming pools will be closed for maintenance work to high level lighting in the pool hall next week.

The pools will close at 4pm on Saturday 12 April and re-open on Saturday 19 April at 8.30am.

The work affects only the swimming pools, and all other facilities will be available. The programme of activities and facility opening times are available on the Council's website: [www.hullcc.gov.uk](http://www.hullcc.gov.uk)
