World Cup Fever

Next Friday (13th) to celebrate the start of the World Cup, all pupils may come to school in a football kit or other sporting kit if they wish. There is no charge for this.

Year 4 Swimming Lessons !

Next Monday, our year 4 pupils will be starting their swimming lessons. They will be travelling to and from Albert Avenue Pools by coach. These will continue every morning until Friday 20th June 2014. Swimming lessons will be for 45 minutes per day. The coach will be leaving Stepney Primary at 9am prompt and will return back to school for 11am. Every pupil in year 4 needs to bring a separate bag to keep their swimming kit in, which needs to consist of a towel and a bathing costume or trunks (NOT Bermuda shorts). If a pupil needs to wear swimming goggles, they must be of the safety type (hardened plastic lens and NO snorkelling/full face goggles). Any pupils who need to have an inhaler must have it with them. Parents should have received a letter and returned the permission slip back to school. If you haven't, then please see the office staff for one.

LA Moderation Success !

On Tuesday, we had staff working on behalf of the Local Authority in school, scrutinising some of our work. One of the statutory duties of any Local Authority is to monitor and moderate work the schools do. Last

year, they came in to look at the judgements that our year 2 staff make. As this is one of the year groups that take SATs, the LA has to ensure that the grades that we assess pupils on are accurate and correct. The phase 2/3 team received generous and well-deserved praise for this. This year, we were informed that our year 6 team would be monitored. As there is no longer a writing test in the SATs exams, our teachers assess the pupils and send these figures to the Department for Education (DfE). It is important that an external body verifies that these assessments are a true reflection of the pupils' work. Once again, the LA were extremely pleased with the judgements, the range of evidence and the quality of both pupils' work and teachers' marking and grading. It has been a trying few months for our year 6 staff, with Ofsted, SATs and this moderation and they have come through it all with flying colours. Mrs Brocklebank, Miss Patrick, Mrs Phelps-Jones, Mrs Wilde, ably assisted by Mrs Rodgers and Mrs Smith have certainly proven they are strong team. Well done to them and, of course, the pupils.

Summer Events at Pearson Park !

The Yorkshire Wildlife Trust have sent us an advert for activities that they are running in Pearson Park this summer. Please see our website for further details.

Competing at Costello !

On Tuesday, Mr Darwood took seventeen of our phase 4/5 pupils to

Costello Athletics stadium to take part in an inter-schools' competition. Working in mixed school groups, they competed in sprint and longer distance running races, standing long jumps and throwing events. Despite the weather not being on top form, the pupils loved being at a proper top-class sports venue.
