St. Stephen's Visits!

This week, our year 1 & 2 pupils have enjoyed some brilliant visits to the Tesco store in St. Stephen's shopping centre. These were for activities including wonderful bread making, watching fish being filleted and their lorries being unloaded and looking at the large deep freezers that they have. It was well worth the walk down and the pupils were excited to be plaiting their bread rolls. They smelt delicious!

Governors Needed

In a few weeks time we will be having the first of our Full Governing Body meetings for the school year. There are three of these each year: one in each term. The Governors listen to a termly report by the head teacher and also discuss items and make decisions affecting the school. Some governors also take part on committees relating to personnel, financial and curriculum matters. The minimum a governor is expected to do is to attend the termly full governing body meetings. We pride ourselves on being a friendly group and we would be grateful for more parent governors to become involved. If you would like to become involved, please speak to Mr Browning or our Chair of Governors, Mr Morfitt (who may be contacted via the school office).

Parents' Consultations

We have decided to have a change from the usual timing of our parents' consultation evenings. We usually have it at the end of September but have decided to wait until after the half term holiday. By this time, we will have more pupil work and a

more accurate picture of how they are doing according to the New Age Related Expectations. As you may recall, the old-style levelling system has now gone and each year group is working to their own set of end-of-year expectations. Once again, we have decided to stagger the consultations over the week to make it easier for parents who have more than one child in school and to give parents more chance to have their preferred time slot. We hope this will make this much better. Further details and booking forms will be sent out nearer the time.

Free School Meal & Pupil Premium Letters

May we remind you about registering for Free School Meals for your child/ren. The school receives Pupil Premium funding for all pupils who are accepted for Free School Meals, to support learning and welfare needs within school. This year, for every

child who is accepted to have Free School Meals, we will be supplying them with a **free school sweatshirt** and **free book bag**. Please visit the school office for a form and then return it when completed. Once we have confirmation that you have been accepted for a free meal, you can claim your sweater and book bag from the school office. If you have any queries regarding this, or with help to fill out the form, then please contact our school office.

We have already got a lot of unclaimed items outside Mr Brownings office. If you are missing anything please take a look.
