## Harvest Festival Donations

During this week's assemblies Mr Browning has been joined by Father Malcolm to talk to our pupils about our annual festival that is always dear to our hearts at Stepney. This is, of course, our Harvest Festival. As part of this we would be grateful if you would spare some food produce to send into school before the end of next week. If everyone brought in a couple of items, such as some tins or packets of produce then we would be able to make a good collection. This will then be distributed to local residential homes in the area. We feel that this is a very important part of school life as it gives children the time to think about others and to be able to share food with some of our older residents in the community. It is always very much appreciated and we usually have a tremendous response from the school.

## A Brilliant Harvest Festival Assembly

Our youngest pupils in the Nursery and Reception opened our autumn schedule of phase assemblies with a great Harvest Festival. They shared their work on autumn with us. Once again, Father Malcolm joined us for prayer and thoughts. More pupils have continued to bring in food produce for our Harvest Festival. Many thanks to them and their parents for helping us.

## Fantastic Football Result

Last Friday night, our footballers went with Mr Ingram and Mr Jones to Collingwood Primary to secure two away wins. Mr Ingram reported that our team was much improved from last week's matches and

thoroughly deserved to win 4 v 1 and 1 v 0. Both teams played in the spirit of the game and it was great to see all the players enjoying their football.

## Curriculum Maps

Each of the phase groups produces a 'Curriculum Map' at the start of a new thematic unit to give pupils and parents an overview of what will be taught. These are given out at school but pdf versions are also available by clicking on the links which may be accessed from the tab at the top of our website marked 'The Curriculum':

## Parents' Consultations

We have decided to have a change from the usual timing of our parents' consultation evenings. We usually have it at the end of September but have decided to wait until after the half term holiday. By this time, we will have more pupil work and a more accurate picture of how they are doing according to the New Age Related Expectations. As you may recall, the old-style levelling system has now gone and each year group is working to their own set of end-of-year expectations. Once again, we have decided to stagger the consultations over the week to make it easier for parents who have more than one child in school and to give parents more chance to have their preferred time slot. We hope that this will make it much better. Further details and booking forms will be sent out nearer the time.

## Secondary School Forms

A reminder to the Parents/Carers of our Year 6 pupils. You have only 3 weeks left to complete and return your secondary school forms to the

school office. It is important that we receive these on time.

## Free School Meal & Pupil Premium Letters

May we remind you about registering for Free School Meals for your child/ren. The school receives Pupil Premium funding for all pupils who are accepted for Free School Meals, to support learning and welfare needs within school. This year, for every child who is accepted to have Free School Meals, we will be supplying them with a **free school sweatshirt** and **free book bag**. Please visit the school office for a form and then return it when completed.
