Parents' Consultation Sessions

The following dates and venues have been organised for the spring 'parents consultation sessions'. Letters will be going out for parents and carers to put down their preferences for the times when they would like to meet with teachers. These are valuable occasions and we would urge all parents to return the slips provided. We have staggered the times to allow parents to meet different teachers across the week.

Star Reader Winners

Anton from year 5 led the presentation this morning about his favourite author, Andrew Cope. It was a brilliant assembly with an excellent interactive question and answer session. This week's year 5 star reader, Madiha has volunteered to do the next one in two weeks time.

ZooLab

As part of our preparation for science week, we have arranged for ZooLab to visit the following classes next week on Monday 29th February.

Years 1 and 2 - 'Seasonal Differences' workshops

Years 5 and 6 - 'Classification' workshops

These workshops are costly for the school; therefore we would appreciate a £2 voluntary contribution for this. The funding that the school receives is limited when it comes to funding visits and visitors but they are certainly valuable experiences for the pupils. We are grateful for your support regarding this matter.

Basic Skills Quality Mark 6

We have had confirmation that we have now been awarded our sixth Basic Skills Quality Mark.

EYFS's Own Emails

The Foundation Stage Staff have set up a new service with their own email address at EYFS@stepney.hull.sch.uk.

We have had some lovely emails from parents, sharing the accomplishments that their children achieve at home. .
