Science Week

Mrs Brocklebank and Ms Saint, our science coordinators had organised a brilliant week of events for our pupils. In all classrooms, teachers have been preparing experiments and investigations for pupils to take part in with the remit to have ones which instil pupils with awe and wonder. The culmination of this has been for pupils to bring in science projects which they have made at home. We had a large and varied array of entries for this, involving research projects, posters, working models and presentations. The winners are listed on the back of this newsletter.

Sports Relief

Following our Sports Relief Mile last week and the 'Wear your favourite Sports Team Kit day on Friday', we raised £484.23 for this charity.

Mayan Headdress Making in Year 5 & 6

As part of their work on the Mayan civilisation, years 5 & 6 held their exhibitions in the classroom and used it for art and craft sessions. Parents and carers joined their children to make some gorgeous headdresses from this ancient culture. It was a great afternoon and brilliant to see adults and children working well together to produce some stunning outcomes.

Phase 3/4 Exhibition

Not to be outdone by their neighbours in phase 5/6, the year 3 and 4 classes also welcomed parents for an afternoon making some ingenious working card posters. It was a veritable hive of industry, involving lots of cutting, sticking and decorating. Many thanks to all who attended.

Netball Success

We hosted two netball matches against Clifton Primary School this evening. Our team played really well and won both matches. The first match was 9v1 to Stepney and the second one 8v0 to us. Well done to everyone who competed for their school. A superb effort.

Star Reader Presentation

Cara produced a well-crafted and detailed powerpoint presentation for the school, all about her favourite author R.L. Stine, the creator of the Goosebumps books. Cara spoke clearly, adding humour to her assembly and took and answered questions from pupils. Well done, Cara!
