## Welcome Back

We would like to welcome everyone back for the start of the summer term. We hope you have all had a great Easter holiday. This year, the summer term is a long one, with two seven-week half terms.

## School Nurse Change

During the last week of the spring term, we heard the news that the school nursing service were having a restructure, with the consequence that Jakki Metcalfe, who has been working with us for over ten years, was being moved to another post. While we were really disappointed that Mrs Metcalfe is not with us on Wednesday mornings any more, we are delighted to welcome Cath Starling, who is a very experienced nurse and will be available to parents on Wednesday mornings from 8:30 -11:00am. If you have any medical concerns that you think our school nurse could help you with, then please contact the school office to arrange a time. This service is for you and your children.

## Star Readers

Sebastian from year 6 presented the powerpoint this week and led the Star Reader Award assembly. He spoke clearly to the audience and received and replied to questions very maturely. Well done, Sebastian, a fine performance.

## Phone Numbers

Please will you let us know if any of your telephone numbers or your home address has changed during the last few months. We often have difficulty contacting parents and sometimes we need to get in touch with people immediately. Although we regard our school as a very safe environment, accidents do happen and we have had to take pupils to the hospital without being able to get in touch with parents. This can obviously be worrying for parents when none of their contact phone numbers work, and we are unable to let them know until when they come to school at home time!

## Sites & Premises Officer

Regrettably, Mr Foston, our sites and premises officer is not well at the moment. To cover his duties we have been using one the caretakers from Sidmouth Primary School during the spring term. This term, we are using staff from Kelvin Hall school. Glen Bolton is working in the school every morning and then other staff are working after school. Mr Bolton has already been busy tidying up around the outside of the school. We realise the state of the litter around the school, both outside and on the playground has been causing problems, so we are really pleased to welcome Mr Bolton to our school. In the meantime, I'm sure you'll join us in wishing Mr Foston a speedy return to good health.
