## HCOC17 Paper Boats

We have received an email about an exciting event taking place in January 2017 as part of the City of Culture 2017 year. This is to fill the water around Princes Quay shopping centre with thousands of paper boats. We are therefore sending home a sheet with instructions on how to make these boats. They need to be back for 15th Dec.

## Christmas Fair & Christmas Disco (15th December 2016)

On Thursday, we had our Christmas fayre. Many thanks to all those who attended. It was a successful event with £549.28 being raised for school funds. We use this money to subsidise events such as school visits. If you were wondering where Father Christmas was this year, he is going to be making an appearance at the Christmas Disco on Thursday 15th December. Already we are busy preparing different activities for this.

## Please Support Our Charity: Mission Christmas

We wish to announce that we have once again registered our school for the Viking FM 'Mission Christmas' appeal. After supporting overseas projects for many years with things like 'Love in a Box', we decided last year to help with a local cause instead. This year's Mission Christmas Campaign will be running through until Tuesday 20th December. With your support, we aim to make a big contribution to support even more local children at risk of not receiving a gift this Christmas. Last year, they helped 18,080 pupils through this scheme. We are asking for donations of 'new' toys so that these may go to the appeal and brighten up a child's Christmas.

**THANK YOU**

These **must not** be wrapped up, so that the Charity organisers may work out which children they are appropriate for. We appreciate that parents and pupils at Stepney willingly help us with charity events through out the year, so we will be very grateful for your support, yet again, in this appeal. Please send any 'toys' to school with your children, or pop in at the school office'.

## Phonics Lecturers

Once again, Miss Atkinson and Miss Baitson took on a different role this week. Instead of teaching primary school children, they taught primary school student teachers instead. For many years, we have had the these trainees from the University of Hull coming into school to learn all about how phonics is taught in school. When we had our big year 6 classroom, before it was turned into our new kitchen, Miss Aktinson would teach the students in this room. This year, due to the reduced classroom space that we have, our two literacy co'ordinators went to the university. They led different sessions, working with the university students. As always, it was a successful day.

## Parent Governors Needed

We are still looking for anyone who would be interested in becoming a parent governor at our school. If you are interested or know anyone who maybe interested, then please ask to see Mr Browning or Mr Morfitt. Our governing body has a great

mix of people. Whilst they discuss important issues to do with the running of the school, the governors are also a friendly and happy bunch. They often welcome new members with open arms. There is one governing body meeting every half term usually starting at 4.30pm on a Wednesday.

## International Pupil Council

Year 6 pupils Ellis and Stelina, accompanied by Mr Browning, travelled to Longhill Primary School this week to take part in the latest IPC meeting. Since it was started in 2010 by Mr Browning in Hull and Mr Mason in Freetown, Sierra Leone, this group has gone from strength to strength. This week, the pupils were discussing an exhibition that they hope to put on in 2017, linking events in Hull City of Culture 2017 and in Freetown.

## DATES & EVENTS

### AUTUMN TERM 2016

#### Autumn Second Half Term

Monday, 31st October 2016 to Friday, 16th December 2016

#### Autumn Term Exhibitions

Phase 5 & 6 **CANCELLED**  
further information to follow.

#### Christmas Productions

13th Dec 2016 - EYFS
