NEW INTERNATIONAL CONNECTION

We are delighted to announce that we now have a new link school in Freetown, Sierra Leone. Due to communication problems, our links with the ICOPs school, which Mr Browning, Mrs Warcup and Mr Burton visited, was no longer viable. Our new link—**Adeline School** has much better communications facilities. Already, Eileen Nicol, the head teacher, and Mr Browning have been in conversation via WhatsApp and email. Instead of having to wait for weeks for replies, we can exchange information instantly. This term, years 1 and 2 are learning about Africa so it should be a very useful link.

Training Day - The School will be closed to pupils on Friday 13th January.

Attendance Assembly

On Thursday, we had our attendance assembly for the autumn term, where we presented certificates and badges for good attenders and punctual pupils.

HCOC17 Weekly Challenge #12

It's week #2 of ChallengeHull. The first challenge went down a storm! This week it's over to Collingwood Primary School... 'THE HULL HOEDOWN'

DO: Dancing is good for the soul, and your body too. This week's challenge embraces the feel good factor of dancing, encouraging you to get up, out, and shake it all about. Collingwood Primary School are asking you to grab some friends and get them to dance with you.

IF YOU HAVE A LITTLE MORE TIME: Perhaps you could teach one another your favourite dance moves, or organise an epic dance off. Turn the music up and grab your dancing shoes – Hull won't know what's hit it!

THINK: How did you feel dancing? What was your favourite dance move? Did you notice anything in the way you moved?

SHARE: Share a video of you dancing, or a photo of you in your favourite dance pose within the next 7 days.

Use #ChallengeHull and share your challenge on Facebook and Twitter. You can then tag Hull 2017 (Facebook and Twitter) and Collingwood Primary School (on Twitter) as we'd love to see the results.

Check the social media channels or our website next Monday for your next challenge. And don't forget to share all the challenges (including your own) with others to encourage them to get stuck in too!

Message from the School Nurse.

When prescribed antibiotics by the GP, a child can come to school after 2 days, provided they are feeling better and do not have a temperature. Prescribed medication can be taken in school by the individual child with assistance from the teaching assistant in the classroom. Parents need to complete and sign a form with the dose/time to be given.

Star Reader Presentation

Ahmad presented the power-point in the Star Reader assembly this week. It was another brilliant production.

New Mobiles & Phone Numbers

Please will you let us know if any of your telephone numbers or your home address has changed recently. We often have difficulty contacting parents and sometimes we need to get in touch with people immediately. Although we regard our school as a very safe environment, accidents do happen and we have had to take pupils to hospital without being able to get in touch with parents. This can obviously be worrying for parents when none of their contact phone numbers work and we can't locate them until they come to school at home time!
