Parents' Consultation Days

We are holding our spring parents' consultation days during the next two weeks. These are a wonderful opportunity for you to speak with your child's teachers to find out how s/he is working and to hear all about their successes and achievements. Letters were sent out today but please ask your child's teacher or go to the school office. The dates are as follows:

Nursery - Tuesday 28th March
Reception - Wed 29th March
Year 1, 2, 3 & 4 - Mon 3rd April
Year 5 - Thursday 30th March
Year 6 - Tuesday 4th April

Phase 1-2 Exhibition

We had a brilliant exhibition in school on Thursday. Forty eight parents and friends joined our year 1 and 2 pupils for an amazing art exhibition morning. The school hall was a hive of activity with everyone busy cutting out symmetrical African Mask and Zebra face designs as part of the pupils' study of Africa. Many thanks for the many enthusiastic adults who joined us this morning. Everyone seemed to have a lot of fun!

Comic Relief Day

We have had another successful Comic Relief Day. Over the last two weeks, pupils have loved buying 'Red Noses' and today, we all came dressed in red and buying buns to raise money for this important cause. Even though our school uniform is red, it still gave everyone the chance to find even more red clothing!

Year 5 Visit the Port

Year 5 went on a Hull Children's University visit to King George Dock, where they went on board one of the massive P&O ferries. Following a welcome, the class divided into two groups, taking it in turns to have a behind-the-scenes tour around the ship and undertake some writing and drawing tasks. In the afternoon, they had a coach tour around the Port with a team from ABP giving an interesting running commentary. It was a fantastic day with pupils learning all about the port.

Year 6 Visit to BAE

Meanwhile, year 6 went on another Children's University visit to British Aerospace in Brough. They had an introduction to this huge factory, then split into groups to tour the Manufacturing and Mission Systems areas. After lunch, they had a 'Forces of Flight' presentation before an afternoon of activities. The day concluded with a quiz, feedback from the visit plus goodie bags and certificates. It was an excellent event and opened our pupils' eyes to engineering.

Stepney at Look North

The Third Children's University event of the week saw ten pupils from years 5 & 6

going to the BBC Look North Studios in Queen's Gardens. They went to make their own mock Look North programme, using footage that they have been filming at the Hull City of Culture 2017 events this year. They had a wonderful time in the actual studio either sitting in Peter Levy's chair and presenting the programme or working back stage in the control booth, filming and editing the programme. It was a memorable event that will certainly stick in the pupils' minds for a long time to come!

Number Day Thankyou

We have received a certificate from the NSPCC, thanking us for the £184.23 we raised on our recent 'Number Day'.

New Mobiles & Phone Numbers

Please will you let us know if any of your telephone numbers or your home address has changed recently. We often have difficulty contacting parents and sometimes we need to get in touch with people immediately. Although we regard our school as a very safe environment, accidents do happen and we have had to take pupils to hospital without being able to get in touch with parents. This can obviously be worrying for parents when none of their contact phone numbers work and we can't locate them until they come to school at home time!
