Stepney Governor Receives Queen's Honours List Award

The Queens Birthday Honours List 2017 is now official and we are proud to announce that Ruth Truelove, one of our Stepney governors has received the 'British Empire Medal for Services to Education and Literacy' in recognition of the work she has done at Stepney Primary School as a reading volunteer and her work with the National Literacy Trust. Miss Truelove has said she is "amazingly proud, totally shocked and astounded to receive this" and added that "it's going to take a while to sink in!" We are delighted for Miss Truelove for this well-deserved reward for all her work with us. She is a firm friend of us all and highly liked and respected.

Miss Truelove has also said to Mr Browning "I would like to send my sincere, heart felt thanks to yourself, the staff and teachers and the children at Stepney for giving me the opportunity to come in to read in school, for allowing me to continue my support as a Governor and for making me feel so proud to be part of the Stepney 'family' for all these years. It's like walking through my front door walking in to school, I get a warm feeling in my belly when I step foot in school and a warm feeling in my belly when I leave too! Thank you all so very much."

Stepney Got Talent Begins!

On Thursday, the first stage of our annual talent competition started in earnest with the auditions. Pupils have been getting really excited about this for the last few days, with last minute rehearsals taking place on the playground during playtimes and lunch. Now comes the crunch time as this group is whittled down for the next round!

Priory Primary Pupils Lead Our Assembly

Fletcher and Reese, accompanied by Mrs Waldon, popped into school at assembly time on Thursday to present a powerpoint and tell our pupils about the Hull City of Culture 2017 event that they are organising. A massive POP party is taking place on Saturday 8th July at the school on Priory Road. There will be a host of events, ranging from pop bands to rides, face painting to food. It promises to be fantastic! Letters with more details will be going out soon!

Bikeability

A team of Bikeability staff descended on our school today to take year 6 through their cycling skills paces. There was a brilliant turn out of bicycles as the pupils practised their riding and road safety techniques.

Local History Walk

Year 5 and 6 went out for a local history walk this week. After looking at images on maps produced on the Digimap website, they linked these to the actual features. Of course, our Stepney Station Statues were one of the places that they visited!

Blue Light Showcase Event Advert

Humberside Police, in conjunction with other Emergency Service and Criminal Justice Partners would like to invite you to a Blue Light Showcase Event which is being held at East Park, Hull on Saturday 15th July 2017.

The event will open at 11:00hrs and is due to close at 17:00hrs.

The event, which is linked to the City of Culture, is an exciting opportunity to showcase the complex and varied work that Emergency Services and Criminal Justice part-

ners undertake and includes various displays including roads policing, police helicopter and police dogs. In addition we have interesting interactive educational scenarios.

All in all we feel that this is a fantastic opportunity for the local community to come along and to learn more about the important work we do.
