## Stepney's Got Talent 2017

We had even more entrants for this year's talent competition, which gains in popularity each year. In front of a packed hall, we were entertained by 23 pupils (names are printed on the back of this newsletter).

It was a superb final and judging was tight. In the end, Mr Morfitt, Mr Everett and Mrs Harland chose D'Niro and his famous card trick in third place and Amelia and her sublime dance routine in second. The winner by popular consent was Sulesh. Last year, he amazed us with his guitar playing but today we were all in awe as he played a keyboard intro then launched into a pitch-perfect rendition of 'Hotel California', accompanying himself on the guitar again. Self-taught, Sulesh is a gifted musician already. We will look forward to seeing what he does in the future with this amazing talent.

## School Closed Tomorrow—Friday 7th July

There is a staff training day tomorrow, so the school is closed to Pupils. We reopen as usual on Monday 10th July.

## Allerthorpe Abounds

Year 6 had a brilliant day at Allerthorpe Lakeland Park near Pocklington on Tuesday. This is another favourite annual event and saw pupils taking to the lake in kayaks before going on to construct their own rafts. Once aboard their rafts, they raced each other to collect pirate flags. In the past few years we have had sailing lessons but the wind has not always been strong enough and the sailing has proven difficult; the raft building was therefore a sensible alternative. Pupils also had an archery session, which they loved. As usual, behaviour was great and everyone had a thoroughly enjoyable time.

## Helen Garnett Sings

Helen Garnett joined year 5 on Monday afternoon for a rehearsal of the songs that they will be singing as part of a mass choir on Friday 20th October at Hull City Hall. The talented singer took our pupils through their paces and reported that they had really impressed her.

## Year 4 & 5 Visits

Year 4 are out today on the North Yorks Moors Railway in a special event that has been funded by PBS Construction, who played such a vital part of our Hull City of Culture 2017 Statue project. Many thanks to Peter and Glenn Smurthwaite for their exceptionally kind donation. Meanwhile year 5 have headed off to Keighley on a Hull Children's University trip to the Space Museum. Watch this space for news from these trips...!

## Year 3 Rap Poets

As part of the Heritage Learning package that we buy into with the Hull Museums service, we had another of their brilliant educational sessions on Wednesday morning. Year 3 headed down to the Maritime Museum in Hull. First, they had to search the museum and find bits of hidden craft materials to then make into a toy creature. Once made, they used these toys as the inspiration for some excellent RAP poetry. Another

success!

## Year 6 Leavers' Events

We have now reached the time of the year when our year 6 pupils are preparing for their last days at primary school, before they move onto secondary schools. Many of them will be attending their new schools over the next fortnight for transition days.

In the meantime, we have some very special dates for them.

These will take place next week .
