

As Mathematicians we will...

apply our knowledge of decimals to money, as well as practising using a variety of methods to calculate totals and change. We will also explore the concept of negative numbers, making links to everyday contexts, as well as how to add and subtract below and across zero.

As Geographers we will...

Use maps, atlases, globes and digital mapping to locate the countries and major cities of the United Kingdom and Europe. We will understand the difference between human and physical features of the different countries and will compare and contrast them. We will ask and answer geographically valid questions relating to the countries we are focusing on. Furthermore, we will learn about the variations in the weather and climate of the countries in question.

In the Arts we will...

We will be exploring the theme of music inspired by Earth and Space, making links with our Science topic. In our DT lessons, we will be creating a structure for transportation linking to Geography and Science.

Key Vocabulary

United Kingdom, Europe, Location, Place, Climate, Weather, Tourism, Human Geography, Physical Geography.

Year 5- Autumn 2 2024 Comparing Europe to the UK

In French we will...

Learn how to read, ask and talk about the date

In Jigsaw we will...

Explore the theme, 'Celebrating differ-

In RE we will...

Explore the question,

In PE we will...

Participate in competitive games and focus on building our stamina.

As Readers we will...

Be continuing to read the text, *There's a Boy in the Girls' Bathroom* and will use the text to answer comprehension questions and develop our skills of using inference to answer questions when there isn't a definitive answer.

As Writers we will...

Focus on the story *Quest*, by Aaron Becker, before creating our own quest tale. We will also be exploring the imagery created by magical objects through poetry and investigating the themes of family and friendship.

As Scientists we will...

Gain an understanding of Earth and Space. We will describe the movement of the Earth, and other planets, relative to the Sun in the solar system. We will use the idea of the Earth's rotation to explain day and night and the apparent

In Computing we will...

learn how to create short videos in groups. As we progress through this unit, they will be exposed to topic-based language and develop the skills of capturing, editing, and manipulating video. as well as Consolidating our e-safety knowledge of downloading, inappropriate content and passwords.
